**Apex, NC** — Triangle Home Services, the parent company of Triangle Pest Control and Triangle Lawn Care, is proud to announce its participation in the Ronald McDonald House meal train on Tuesday, November 25, 2025. Employees from across the Triangle team will come together to prepare and serve meals for families staying at the Ronald McDonald Houses of Chapel Hill and Durham.

The initiative reflects Triangle’s ongoing commitment to supporting families beyond their homes, extending care and comfort into the community.

“The holiday season is about family, gratitude, and giving back. Our Triangle team feels like one big family, and we are honored to share that spirit by preparing a warm, freshly made dinner for families at the Ronald McDonald House. We’re truly excited for the opportunity to serve and bring a little comfort during such a meaningful time of year.”

*-Donnie Shelton, Owner, Triangle Home Services*

**Key Details:**

- Triangle employees will prepare and serve meals on Tuesday, November 25, 2025.
- Meals will be provided for families staying at both the Chapel Hill and Durham Ronald McDonald Houses.
- The effort is part of Triangle’s broader community outreach initiative, strengthening ties with local organizations that support children and families.

**About Triangle Home Services:**

Triangle Home Services is the parent company of Triangle Pest Control and Triangle Lawn Care, dedicated to protecting and enhancing the homes and lifestyles of families across North Carolina. From safeguarding families against pests to nurturing healthy lawns, Triangle delivers expert care built on trust, service, and community connection.

**About Ronald McDonald House Charities of the Triangle:**

Ronald McDonald House Charities (RMHC) of Chapel Hill and Durham provides a “home away from home” for families of seriously ill children receiving treatment in local hospitals. By offering meals, housing, and supportive services, RMHC helps families focus on what matters most—the health and well-being of their child.
